# Transforming Healthcare delivery In India: Over 35 Years of legacy

# Largest Hospital Chain in India

73 hospitals 10,134 beds 10,000+ doctors

# Largest Offline Pharmacy in India

6000+ stores in 1100+ cities and towns
>2x second largest Indian pharmacy<sup>(2)</sup>
~250mn+ transactions p. a.

### India's Leading Retail Healthcare Network

283 primary clinics, 167 dental clinics, 69 sugar clinics, 30 birthing centers, 136 dialysis centers, 20 surgery centers, 2366 diagnostic collection centers

### 3<sup>rd</sup> Largest Private Health Insurer in India

Fastest insurer to reach break-even point
Divested to HDFC ERGO

# Created Unmatched Capabilities in Offline Healthcare Delivery

Any other player trying to replicate will take many years and huge investments, without guaranteed success

### Built the Apollo Brand

Synonymous with quality and trust – most important factors in healthcare in India – while transcending healthcare delivery formats

### Inimitable Consumer Insights

The Group understands consumer dynamics very well, having successfully created multiple consumer-centric healthcare businesses

# Created Significant Shareholder Value

6x increase in market capitalization in last 10 years for listed AHEL; new businesses added to AHEL have contributed significant value

# Successful Partnerships

Worked successfully with several partners, including APAX partners, Schroders, Munich Reinsurance, IHH, General Atlantic, Mitsui, among others on a long term basis

# Indian Government Recognition

Dr. Prathap Reddy, Founder Chairman, has been conferred 'Padma Vibhushan', India's second highest civilian award for significant contribution to India healthcare

<sup>2</sup> By number of stores.

# **World Class Outcomes driven by Systems and Protocols**

Apollo Hospitals Group aims at establishing the highest standards of clinical care and patient safety for all its hospitals irrespective of their location or size.

### **Apollo Quality Program**

Multifaceted program measuring, compliance on Safety across various hospital interactions, Surgical safety, Medication safety, and the safety goals as per JCI, as well as patient satisfaction achieved by a highly empathetic service delivery system to create – TLC moments

1000+ Service Standards

Yearly training and certification

### **Apollo Clinical Excellence**

Is a clinically balanced scorecard tracking complication rates, mortality rates, one-year survival rates and ALOS after major surgery and across Apollo CoE's benchmarked against the most appropriate indicator with the best-in-class indicator.

50 Indicators selected, updated on

# \$\frac{1}{2} \frac{1}{2}

### **Apollo Mortality Review**

The mortality review in all Apollo Hospital units is standardized with trigger criteria, checklists, peer review processes and mortality meeting formats. Formal, structured review of deaths is conducted.

### **Apollo Nursing Excellence**

Patient care and outcomes measured for effectiveness and quality of nursing services across all units, benchmarked against appropriate best-in-class reference units such as JCI, NABH, NCBI and British Journal of Anaesthesia.

# "Heal in India" Global hub for medical and wellness tourism

### **HEAL IN INDIA**

Initiative, aims to promote Medical Value Travel in the Country.

The medical tourism market valued at USD 6 billion in 2020 fiscal year is expected to double by 2026

Growth in medical tourism expected primarily due to (i) Technologically advanced hospitals (ii) highly skilled doctors; (iii) lower cost of treatment and (iv) e-medical visas (v) holistic wellness - traditional healthcare therapies (Ayurveda & Yoga) combined with allopathic treatments

Treatments mostly sought after in India are high end treatments pertaining to complex ailments like heart surgery, knee implant, cosmetic surgery and dental care, due to the low costs of treatments in India

= 1/10

# **HealthCo: Building Scale through Customer Centricity**

### **Monetizing PHR analytics** and CIE

- Clinical Intelligence Engine (CIE) to empower doctors deliver better care and patients to access on-demand care
- Patient Health Records (PHR) to enable continuum of care; one of world's largest PHR systems with 80mn+ patient records

**Revenue Growth** 

- Build Pharma AOV driving categories for specialty drugs, Private label
- Increase # of SKUs through bundling, personalized recommendation engine
- Building scalable solutions to help chronic users (8-10 Mn)
- Corporate programs through seamless value proposition

**Customer Centricity** 

- Extensive market research focused on customer requirements (e.g., launch of doctor connect model
- First time right experience driven by ease of booking
- Industry leading delivery experience: 2 hours pharma delivery; 15 min doctor consults, 6 hours TAT for diagnostic reports

**Cost Optimization** 

- **Leverage scale** and bring cost efficiencies; Reduce supply chain costs through **efficient order allocation**
- **Build LTV**; rationalize discounts, build price perception
- Milk more cross pollination

India's most trusted healthcare services brand, known for clinical excellence and cutting-edge innovation

© 2024 Apollo Hospitals Enterprise Ltd, All Rights Reserved

# AHLL: Focused on Diagnostics & Primary Care as the Next Growth Vector\_

### **Primary Care**

# Focus on taking Healthcare Closer to Communities

Network expansion via various formats (varying by location) to bring quality healthcare services closer to communities and large residential settlements

Grow Condition Management, Concierge Services and Specialty Services eg. Sugar and Dental

Enhance service offerings and expand synergies with the Group - Building in Continuum of Care models

### **Diagnostics**

# Aim for Enhancing Market Share and complete pan-India expansion

Market Saturation – Market share consolidation in existing markets and expansion in high potential metro markets via organic/inorganic routes

**Full Stack Digital Player** – Apollo 24|7 as a partner – Build digital capabilities and ensure seamless integration to adapt with changing consumer preferences for on-tap services

**Full Spectrum Pathology** – Expand technical capabilities and offer next-gen pathology services

### **Specialty Care**

# Sustained growth with synergies to Apollo Ecosystem

**Cradle:** Expansion in key markets across select metros to consolidate market share; Focus on building deeper capabilities for advanced pediatrics and comprehensive women's health

**Spectra:** Dedicated CoEs for specialties like Urology, Laser aided surgery, Pain Management, Bariatrics; Enhancing the digital customer acquisition model via adoption of comprehensive CRM modules; Improve OT Utilization; Standardized Clinical Protocol

**Fertility:** Implement international standard protocols, strong audits, benchmarked outcomes and clinically relevant technology. Expand through unique doctor engagement model which ensures long term association and viability in metros/tier 1 locations

**Dialysis:** SIS - H (Shop-in-Shop Hospitals) Models in Non-Apollo hospitals; Growth via PPP engagements.

# **Our Approach to Governance**

## **Board Composition (11 Directors)**

Chair: Dr. Prathap C Reddy

Lead Independent Director: MBN Rao

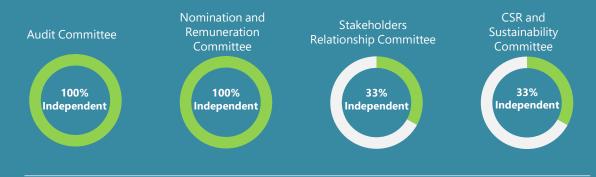

### **Board Skills Matrix**

### Board Time Allocation<sup>1</sup>

### **Key Features**

- Newly appointed **Lead Independent Director**
- Board Skills Matrix in our Annual report
- The Board has established a CSR and Sustainability Committee which steers the materiality process and determines the focus areas
- All employees trained on our Code of Conduct:
  - Group Anti-Corruption and Anti-Bribery Policy
  - Vigilance Mechanism and Grievance Redressal
  - o Group Whistleblowing Policy

<sup>1</sup>Calculated using board and committee meeting count

# **Governance of Sustainability**

Our **governance framework** ensures that social responsibility and sustainability considerations are embedded in our decision-making process, operations and interactions with stakeholders

### **Board-level Mechanism**

Risk Governance Framework	Our <b>Enterprise Risk Management (ERM)</b> helps us evaluate and <b>minimise risks in a methodological way</b> . The framework aims to facilitate policy implementation by the Board and the empowerment of various sub-committees to identify, report and minimise risks. This approach ensures accountability of risk at all levels of the business.
Independent Director's Meeting	The Board, chaired by Dr Prathap Reddy, approves the Risk Management Policy. Independent directors, led by our <b>Lead Independent Director</b> Shri. MBN Rao, meets to evaluate the Board's and the Chairman's performance. The segregated meeting <b>ensures objectivity of the assessment</b> .
Fully Independent Audit Committee	The Audit committee meets to assess the internal control and risk management systems. The Committee's function helps identify and address any deviations (ranging from fraud, failure of internal control systems, amongst others).
ESG-linked Remuneration	Management <b>incentives include ESG-related criteria</b> such as customer satisfaction scores, recruitment and retention of Doctors and key medical professionals, etc.

## **Accountable and Transparent**

CSR & Sustainability (CSRS) Committee + Implementation Teams	Our CSRS committee, the overarching governing body for CSR/Sustainability, establishes the Apollo Action Plan on Sustainability (ASAP). The plan is <b>enforced by regional steering committees, that work with local implementation teams.</b> Through this framework, the Group can put in-place robust mechanisms to oversee and implement sustainability practices across its business operations.
Transparency Reporting Standards	Our Sustainability Report is prepared in accordance with the <b>Global Reporting Initiative</b> ("GRI") Standards 2021. We further considered the <b>Sustainable Accounting Standards Board</b> ("SASB") standards to ensure that our report covers our industry's most material sustainability issues. <b>A content index has also been provided.</b>
Committed to Increasing Transparency	We are committed to disclose to the CDP platform in FY24-25. We are further committed to align our Sustainability Report to the TCFD and ISSB frameworks in the coming years.

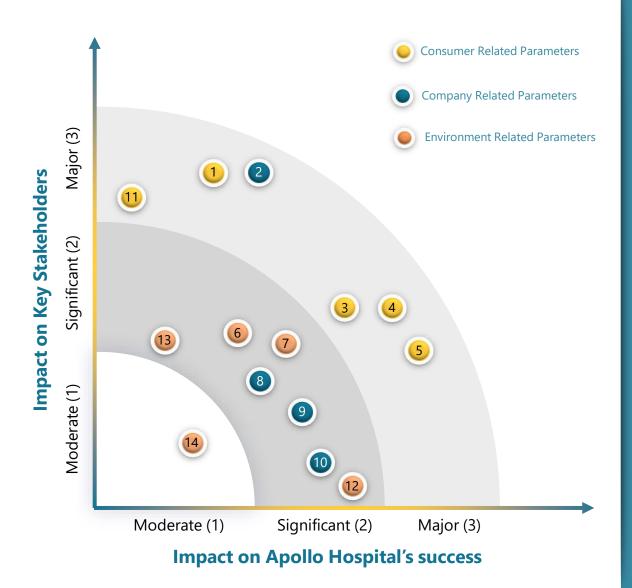

# **Focusing on Material Topics**

Each stakeholder constituency is important and means something different for us and we remain committed to their interests while growing in a transparent and accountable manner.

Our modes of engagement with our key stakeholders together with the materiality process gives us direction on which issues to focus upon.

### **ESG Materiality Matrix Key**

- 1. Service Quality and Patient Safety
- 2. Labour Management
- 3. Customer Satisfaction
- 4. Information to Customers
- 5. Privacy and Cybersecurity
- 6. Carbon Emissions

# **Our Sustainability Commitments**

Y
Environment

Social

Sourcing 25% of electricity & energy from

In FY 22-23, 18% of our total energy consumption was from renewable energy, signalling our efforts on green transition. We are building additional solar PVs and signed PPAs to secure future supplies of renewable energy.

**Renewable Energy** 

Expanding our GHG Boundary and reporting on 3 elements of Scope 3 emissions

renewables by FY 24-25

Our emissions picture is now much clearer – with our GHG reporting boundary now including our pharmacy and clinics business – but we aren't done yet. We are now measuring our online deliveries GHG footprint and our indirect, value-chain emissions (Scope 3).

**Water Efficiency** 

10% reduction in energy consumption by FY24-25 (FY21-22 base year)

We're pursuing various efficiency projects (e.g., Project Virya) and staff training to improve our energy efficiency. We believe that not emitting in the first place is the best decarbonisation pathway.

Water

10% reduction in water consumptions by FY24-25 (FY21-22 base year)

We're focusing on water recycling and reuse, with efforts being made on wastewater and rainwater recycling. Currently, 20% of our hospitals' water demand is met through recycled water.

Colleagues

Set policy and targets for Diversity and **Diversity and Inclusion** Inclusion in FY23-24

We recognize the value of a diverse workforce in our patient-centric business. As such, we are expanding our diversity and inclusion policy from our board members to our wider workforce.

25% annualised attrition rate for all staff **Staff Retention** in FY23-24

The Group has in place a retention strategy. Now we're setting a tangible, measurable target to strive for. We aim to achieve this inpart through our investment into our employees (via training) and by developing a career progression/succession plan by FY24-25.

**Patients** 

Net Promoter Score (NPS) from patients **Patient Satisfaction** of 80 for OP & IP

NPS is a key gauge for patient satisfaction, which in-turn helps indicate our care quality. Our NPS scores have remained above target due various efforts to improve our patient experiences.

**Quality Service** 

100% Re-accreditation for all hospitals undergoing JCI, NABH surveys

5 GENDER EQUALITY

External accreditations are an important measure of our clinical excellence, as it is granted based on our hospital quality, practice and clinical governance. We aim to uphold this clinical excellence.

## **Patient Centric Care**

#### **Patient and Customer Satisfaction**

#### **Responsible Billing practices:**

High level of transparency from Admissions to Discharge including Assured Pricing Packages

#### Service Excellence:

Our Service Standards include 1000+ 'critical to Customer Standards'

**Voice of Customer** and 'Apollo Instant Feedback System' (AIFS)

The Apollo Standards of Clinical Care (TASCC) scores showed a steady increase (since 2012)

# Accessible Healthcare and Engaged with Underserved Communities

**Subsidized Patient Funding** – Partnering with financial institutions where Apollo Hospitals provides subvention on interest rates

**Apollo HomeCare:** Treatment delivered at patients home

**Apollo TeleHealth:** Teleconsultations for communities in urban and rural geographies

**Apollo 24/7:** India's largest omnichannel digital healthcare platform allows access to underserved population

#### **Privacy and Cybersecurity**

**Information Security Management Systems** (ISMS) and certification (ISO 27001:2013)

Vulnerability Assessment and Penetration Test, completed by Ernst & Young

Employees undergo regular training

No violation of patient privacy rights over the last 5 years

# **Employer of Choice**

### Our people are our most valuable resource, and we are committed to their welfare, health and wellness

A shortage of skilled and trained clinical, nursing, and allied workforce remains a challenge. However, through our training and educational institutions like Nursing schools and Apollo MedSkills, we are looking to overcome this systemic issue facing the healthcare sector

#### **Diversity**

**Promoting diversity** and preventing discrimination of any type

**Equal Opportunity Employer** 

### **Employee Health & Safety**

>90% of our employees have had a complimentary **annual health checks** 

Enhanced **safety protocols** (especially during the COVID-19 pandemic)

#### **Talent Development & Retention**

Continuous upskilling and internal training

Annual Operating plans allow assessment and **performance-based incentives** 

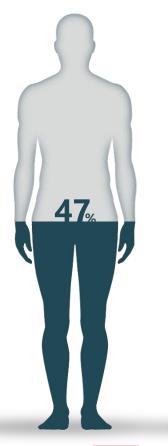

Employee satisfaction surveys

#### **Labor Relations**

**Respect** for fundamental human and labor rights (ILO)

**Collective bargaining agreements** made in the area of wage and salary revisions

# **Caring for the Environment**

#### **Focus Areas**

#### Water

Fighting water scarcity by being efficient. Third party water audits are carried out to promote water conservation and minimize usage

### **Energy**

20% reduction in energy in our18 largest hospitals usage

### **Waste Management**

Bio Waste, Biomedical Waste, Hazardous Waste, and Plastic Waste

### **Reducing Environmental Impact**

Evaluate our impact on the environment and **improve our** operations by reducing thermal and energy consumption

We are focused on creating a **resilient healthcare infrastructure** (ISO 14001:2015 certifications) which can withstand the extreme climate events and ensure continuous services

### **Efficient (and Green) Supply Chain Management**

Rate vendors based on our SERT (Search/Evaluate/Register/Trial) methodology

**Training Vendors** on Apollo Hospitals' Policies (part of the Supplier Code of Conduct)

Our **Green Procurement** Policy provides guidelines for procuring energy efficient equipment

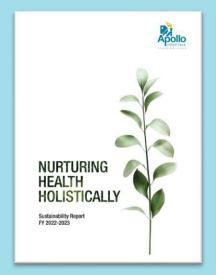

# **Looking Forward......**

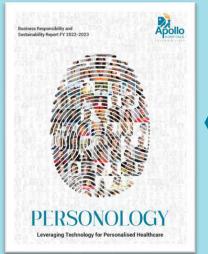

We believe our journey to become a sustainable healthcare provider is through continuous improvement. Sustainability is a strategic imperative for us - not a checklist exercise. We believe that this will not just satisfy the expectations of our investors, but will set us apart as a thoughtful, committed business enterprise, delivering value to all our stakeholders.

### DR. PRATHAP C. REDDY

We published our 3rd Sustainability Report and the Business Responsibility and Sustainability Report, where you can find more information on our ESG actions and ambitions.

Our continued efforts to improve our practices and disclosures is being recognized by leading independent ESG Ratings providers. We will focus on...

Putting in place an enterprise-wide framework that seamlessly brings together Apollo's sustainability practices.

Setting up a monitoring system to track and improve environmental and social data (including GHG emissions)

Identifying, measuring and enhancing operational targets related to material FSG issues

Further improving Apollo's sustainability reporting to increase transparency, meet external stakeholders' expectations
