Endorsed by the
Clinical Infectious Diseases Society

18th & 19th (Saturday & Sunday), June 2022
Taj Coromandel, Chennai

AIDC 2022

APOLLO INFECTIOUS DISEASES CONFERENCE

Apollo Hospitals, Chennai is one of the premier hospitals in India providing quality services for over 39 years. It is one of the few hospitals in India with a comprehensive Infectious Diseases Department involved in the management of infections & infection control for the past 2 decades.

The areas of expertise include tropical medicine, TB, HIV/AIDS, health care acquired infections, drug resistant infections, invasive fungal infections & infection control. It's one of the four chosen centres for training candidates in Infectious Diseases by The National Board of Examination

Apollo Infectious Diseases Conference 2022 with CME credits will encompass all aspects pertaining to the management of infections & infection control. It would be very useful for practicing physicians, clinicians interested in infectious diseases, microbiologists and postgraduates in internal medicine.

cordially invites you to the
