40 Years

of Pioneering Excellence in
Emergency Care

Advanced ... Accessible ... Affordable ...

The Department of Emergency Medicine at Apollo Hospitals, Chennai, stands for a legacy of clinical excellence for the last 3 decades. Pioneers in the field, the Department has been responsible for some of the most game-changing innovations in emergency care in India.

Dear Colleagues,

It gives me immense pleasure to inform you that the Department of Emergency Medicine at Apollo Hospitals, Chennai is conducting a Symposium on the Advancements in Emergency Medical Care and Trauma Management. Through presentations, debates, and interactive case-based panel discussions, the meeting faculty will share their insights on contemporary issues and recent advances & innovations in emergency medicine.

Looking forward to your active support and participation in this exciting programme.

Warm regards,

Dr. Dhavapalani Alagappan
