**AIDC** 2024  
APOLLO INFECTIOUS  
DISEASES CONFERENCE

Saturday, 29<sup>th</sup> June 2024  
Hyatt Regency, Anna Salai, Teynampet, Chennai

Endorsed by the  
Clinical Infectious Diseases Society

# AIDC 2024

## APOLLO INFECTIOUS DISEASES CONFERENCE

Apollo Hospitals, Chennai is one of the premier hospitals in India providing quality healthcare services for over 40 years. It is one of the few hospitals in India with a comprehensive Infectious Diseases Department involved in the management of infections & infection control for the past 2 decades.

The areas of expertise include tropical medicine, TB, HIV/AIDS, health care acquired infections, drug-resistant infections, invasive fungal infections & infection control. It's one of the pioneering centres for training candidates in Infectious Diseases by The National Board of Examinations.

Apollo Infectious Diseases Conference 2024 with CME credits will encompass all aspects pertaining to the management of infections & infection control. It would be very useful for practising physicians, clinicians interested in infectious diseases, microbiologists and postgraduates in internal medicine, paediatrics and critical care.

cordially invites you to the
