

The 3rd Apollo International

COLORECTAL SYMPOSIUM 2019

Recent Advances in Colorectal Cancer Surgery

22nd - 24th March 2019, Hyatt Regency, Chennai

#AICRS2019 | www.aicrs.com

IN COLLABORATION WITH

Dear Colleagues,

Along with my co-hosts Prof. Steven Wexner from Cleveland Clinic Florida, Prof. Manish Chand from University College London and Prof. Antonio Lacy from Hospital Clinic Barcelona Spain, I welcome you all to The 3rd Annual Apollo International Colorectal Cancer Symposium to be held at Hyatt Regency, Chennai between 22nd - 24th of March 2019.

We have organised a pre-symposium workshop on the 22nd of March 2019 for trainees and junior Consultants on open & minimally invasive Colorectal Surgery.

Our Symposium on the 23rd & 24th of March 2019 focuses on Colorectal Cancer Surgery. We have a stellar faculty from across the globe who will give us state-of-the-art lectures on the management of Colorectal Cancer. This Symposium promises to appraise us on the cutting edge surgical procedures, master videos, technology, challenges and how to deal with them.

Looking forward to seeing you all soon in Chennai !

Dr. Venky Munikrishnan, MRCS FRCS

Programme Chair

Consultant Colorectal Surgeon & Director Institute of Colorectal Surgery
Apollo Hospitals, Chennai.
