ORTHOPAEDICS

RECENT ADVANCES & INNOVATIONS IN
FOOT & ANKLE SURGERY

Date: Sunday, 9th December 2018

Venue: Vivanta Connemara, Binny Road, Anna Salai, Chennai.

34 years of pioneering excellence in
Apollo Orthopaedic care

The Apollo Institutes of Orthopaedics stands for a legacy of clinical excellence that goes back for over 3 decades. Pioneers in the field, Apollo Hospitals have been responsible for some of the most game-changing innovations in orthopaedic care in India.

Through presentations, debates, and interactive case-based panel discussions, the meeting faculty - leaders and innovators in foot & ankle surgery - will share their insights on contemporary issues on Recent Advances & Innovations in Foot & Ankle Surgery, a brief highlight of the topics discussed will be:

Trauma

- Lisfranc Injuries
- Ankle Fractures
- Calcaneal Fractures
- Talus Fractures

Sports Injuries

- Chronic Ankle Injuries
- Achilles Tendon Injuries
- Syndesmotic Injuries
- Ankle Arthroscopy

Deformities

- Flat Foot
- Hallux Valgus
- Lesser Toe Deformities

Arthritic Foot

- Lapidus Fixation
- Hallux Rigidus
- Double Arthrodesis

The focus of this congress is on integration of the science, cutting edge technology, and breakthrough innovations in the clinical practice rendering next generation treatments and delivering quality care to the patients. The faculty includes international pioneers and Indian thought leaders, who would be sharing their experiences and insights on the foot & ankle breakthroughs.

Looking forward to your active support and participation in this exciting programme.

Kind regards,

Organising Team
